**Minutes** of the previous AGM were approved by John Baker and seconded by Alan Kimmitt.

No matters were arising from these previous minutes.

**Annual reports:**

**Chair's** report thanking everyone who has contributed to the last months. Thanks were expressed to George Carratt for his sterling work on our website, and to Mary Patey as she stands down from the post of Secretary after 5 years. The report has been sent to George for inclusion in our website.

**Secretary** reported on a final letter from the lawyers in connection to the final payment from the legacy from Mrs C Bade. A response has been sent by email.

The secretary has also emailed the Kingdom Centre about Christmas Carols in December but is still awaiting a reply. Any suggestions for a suitable alternative (just in case) will be welcomed at our September meeting.

**Treasurer** reported on the healthy balance held as we go forward. (£990.48) It would be good to encourage a discussion on where best to distribute some of the funds held. Ideas please, to our meeting in September.

**GROW report**, Davina as secretary of GROW cannot be here, but the hope and prayer is that with God's help and guidance we will find the person who is to take our young people forward in faith. Members are encouraged to ask our churches to **pray earnestly** for God's guidance in our search for a Youth Worker and their gifts to work for Christ in our town.

**Christian Aid:** Fiona Lawrenson reported that to date St Columba's has raised £376, and St Ninian's £201. After Covid it's proving difficult to organise collections as in the past. A way forward will become apparent. Have faith!

**GBEG report**, Mary said that the members are aging and with covid have not been able to see their friends and contacts in the last two years. Local members will meet later this month in the hope to encourage a new link between Böblingen and Glenrothes people of all ages.
