

2018 / 2019 Annual Report Churches Together in Glenrothes & District

First I would like to say thank you to a few people; to Mary for all her dedication hard work and guidance during this past year and to George who has continued to keep our web site updated.

This year has been a very exciting time for Churches Together and also for the town celebrating its 70th anniversary and the YMCA celebrating 60 years.

Our member churches took part in a number of shared events:

In September we shared with the Muslim community in Cadham Neighbourhood Centre “**Faith Together**” a very enjoyable evening where the ladies of the mosque prepared the food.

Also in September we joined together for an ecumenical service in St. Margaret’s celebrating 70th anniversary of Glenrothes this was a very enjoyable experience where the choir lead the singing backed by combined praise band. A new praise song was written by Bruce Davies & Sandra Davies and the Carleton Primary school children took part.

In December we had our annual carol singing in the town centre led by Linda Ballingall & Carol Ann Hedley. £133.50 was donated by the public which was given to YMCA.

There was two sleeps in the park events one in Dundee and the other in Edinburgh where our member churches supported.

In January we shared in a service for Christian Unity in St. Luke’s

At Easter we took part in Lent studies and on Good Friday joined in The Walk of Witness followed by a service in St. Columba's Church.

We now look forward to another year of unity and witness and pray that God will continue to bless us and guide us in all things.
